

## 2023 Boarding Price List

Dogs:

1 Dog - \$35

2 Dogs Sharing - \$50

3 Dogs Sharing(if size appropriate) - \$65

Boarding includes 2 walks, 1 in the morning and 1 in the evening after feeding. We recommend extra walks and playtimes for our more energetic boarders, or those who enjoy more individualized attention.

\*Any dogs sharing a kennel MUST be able to eat together. If they cannot, they must stay in separate kennels. If at any time 2 or more dogs sharing a kennel fight, they will be separated and the change reflected on the invoice at the end of their stay. If you would like for your dogs to be together during times that they are not being fed, you will need to reserve 2 kennels so we can separate for feeding.\*

Cats:

1 Cat - \$28

2 Cats Sharing - \$38

\*Any cats sharing a cage MUST get along. If they fight, they will be separated and the change reflected on your final invoice.
