

As of January 1, 2023

*Pets picked up by noon(Mon-Sat) will not be charged for that day(front lobby is closed from 12p-1p for lunch). Sundays are always charged as a full day since we are not open in the morning.

*As always, boarding charges start the day your pet is dropped off, regardless of time.

*Early and/or late pick up and/or drop off will be charged an additional fee that will automatically be added to your invoice.

*Each dog that boards with us for 4 or more nights is required to be bathed before leaving(\$25). Large dogs that require more time for drying or brushing will be charged more for time.

*Any dog visibly soiled or with a noticeable odor will be bathed, at a cost to the owner, as often as necessary to maintain cleanliness.

*We require a non refundable, non transferable deposit for boarding reservations.

*All dogs are required to be current on Rabies, DHPP, and Bordetella Vaccines. Parainfluenza vaccines are recommended, but not required.

*All cats are required to be current on Rabies and FVRPC vaccines. We are not able to board cats with FIV or Feline Leukemia.

*Vet records need to be received ahead of time if possible. You can email them over directly or have your Vet's office email or fax them over. Any pets that arrive without current vaccine records on file, will be turned away.
